Subject: RE: Request for Information No. 1 - Elevated Ag, LLC (DocketFAA-2022-0034) - Response Required by February 22, 2022

David,

We are not requesting to operate multiple UAS. We are only requesting one UAS per Pilot in Command.

Thank you,

Sam Rockwell

Subject: Request for Information No. 1 - Elevated Ag, LLC (DocketFAA-2022-0034) - Response Required by February 22, 2022

Mr. Sam Rockwell, Agent for:
Mr. Brock Buckner
Elevated Ag LLC
705 East Heacock St
Jonesboro, IL 62952

Dear Mr. Rockwell:

The following information is required to continue processing your petition for an exemption for Elevated Ag, LLC (Docket FAA-2022-0034). We request you provide the information to us no later than February 22, 2022.

On page 1, paragraph 3 of your petition you state: "The requested exemption would permit the operation of no more than one simultaneous operation of the DJI Agras T16 or Agras T20 in airspace that is controlled by petitioner with access by mission personnel only." Please confirm whether or not by use of the term "simultaneous" you are petitioning to operate multiple UAS at the same time under the control of a single Pilot in Command.

What You Need To Do:

If you want the FAA to process your request any further, you must send the information described above by February 22, 2022 before 11:59PM ET. We will consider your petition request open during this period.

Please submit the additional information (non-proprietary) as a comment to your docket at www.regulations.gov, and save the tracking number generated after submission. Proprietary information may be submitted electronically to David Reaves at david.reaves@faa.gov and Sean O'Tormey at Sean.P.O'Tormey@faa.gov.

If the FAA Does Not Receive the Requested Information From You:

If the FAA does not receive the requested information from you by the date indicated above, the FAA will take no further action on this petition and close the matter without notifying you further. If you have any questions or require additional time, you may call 717-712-1035.

Sincerely,

David Reaves
